Hard To Find Her by Zed
G D
All the time
I was running around trying to get me somewhere
            Αm
       D
When you were there on my shoulder
C G
      D
Telling me that she s the one
  Am
       G
She s the one in a million that comes along
G D Am G
But tell me what could I do
[chorus]
       DC
Coz I tried so hard to find her
G D
       C
Should I hold my breath now she s looking at me
G D C
And I hope she knows I want her
Am G
        D
            C
What if she was looking at you not me
G D
Late again
I lay awake in my bed as I dreamed of her
       D
            Am
And would she like to come over
  G
Maybe next time would be fine
I got the feeling that I may be losing my mind
       Am
Tell me what could I do
```

```
Coz I tried so hard to find her
   D
Should I hold my breath now she s looking at me
And I hope she knows I want her
Am G
       D
What if she was looking at you not me
Cm
I m holding out a million dollar bill
I m hoping that she ll look my way
Cm
I cut up my knees to be beside her
Even if I knew I would never walk again
Yeah
G D G D Am
(chorus)
        D C
Coz I tried so hard to find her
  D
Should I hold my breath now she s looking at me
And I hope she knows I want her
        D
What if she was looking at you not me
(chorus)
       DC
Coz I tried so .hard to find her
        C
Should I hold my breath now she s looking at me
G D C
And I hope she knows I want her
Am G
       D
             C
What if she was looking at you not me
G D
All the time
I was running around trying to get me some
But tell me what could I do
```
