And you hold all the cards, all the broken hearts  
                  **D**                  **G**  
Strung over your shoulder till it s all in vain

[Pre-Chorus]

**G**                  **Bm**                  **A**  
And only you know the strength of your teeth  
                  **D**                  **G**  
The wash in the weight of your pockets, so deep

**G Bm A**

**D**          **G**  
And lonely
