Intro: ( **D C G D** )

**D**

This is either the first or the last house  
This river  
Runs through

**C**

**G**

And my mind is a mad house I only share

**D**

With you

**D**

Legs are dangling over  
This old jetty here  
And my light is  
Supplied by

**C**

**G**

Nothing but the brightness

**D**

Of the Milestone Moon

**D**

Ripples in the water  
Tells me that you are near

**C**

And as always it s a false alarm

**D**

If you wait too hard

**C**

**G**

Not long now

**D**

You ll be in my arms

**D**

Sitting patiently  
For your return

When will I learn

**C** **G**

That soon

**D**

Time will burn

**D**

Wondering and pondering  
If I've been here before  
Or am I a new born

**C** **G**

Waiting to learn more

**D**

I want to learn more

**C** **G**

Not long now

**D**

You'll be in my arms

**C** **G**

With nothing but the brightness

**D**

Of the Milestone Moon
