```
  C          Dm
   I dream of Christmas
  C          Dm
   I dream of you
  C           Em            F
   I dream of all the holidays

   That we ve been through

      Em          Am
   The cold December nights
      Em               Am
   The way you d hold me tight
  Dm           Dm7
   Under the mistletoe we d kiss
         G
   And my world would be in a state of bliss

  C           Dm
   I dream of Christmas
  C          Dm
   I dream of you
  C            Em
   And think of all the love
         F
   We ve shared all these years

      Em               Am
   We d light a Christmas tree
         Em           Am
   While the carollers are singin
      Dm          Dm7
   And bells would be ringin
            G
   Because of all the love that you ve been givin

         Refrain
  C          F
   Christmas and you
         C            F
   Should always be together
              C        Dm
   I ll spend Christmas with you
      C      A
```

```
        In any kind of weather
Dm                G
 You are the reason
            Em   Am
 For my wonderful season
            Dm             G
 When I dream of Christmas,
               C
 I dream of you
