DESTINY - ZERO 7

[Intro]

**Cm F** (2X) **C D#maj7** (3X) **G# Gm D#maj7** hold **D#maj7**

[Verse 1]

**C** **D#maj7**  
I lie awake  
**D#maj7**  
I ve gone to ground  
**C**  
I m watching porn  
**D#maj7**  
In my hotel dressing gown  
**C**  
Now I dream of you  
**D#maj7**  
But I still believe  
**G#**  
There s only enough for one in this  
**Gm** **D#maj7**  
Lonely hotel suite

[Verse 2]

**C** **D#maj7**  
The journey s long  
**C**  
And it feels so bad  
**D#maj7**  
I m thinking back to the last day we had.  
**C** **D#maj7**  
Old moon fades into the new  
**D#maj7**  
Soon I know I ll be back with you  
**G#** **Gm**  
I m nearly with you  
**D#maj7**  
I m nearly with you

[Chorus]

[Outro]

**Cm F** (3X)

**Cm F Cm F G**

I ll fly, I ll fly home

**Cm F G Cm F G**

I ll fly home and I ll fly home

Sia's vocals and instrumental on **Cm F G** and fades

(I think it's pretty close)

A really cool song with some tricky parts because of the chord changes. Sia's wonderful soulful vocals make the melody get bigger as the song goes. Listen to the song to get familiar with those changes. If anyone can help improve it, thanks.
