

**Warm Sound**  
**Zero 7**

Warm Sound - Zero 7

The primary chords for this song are played on electric piano, and you can imitate the by playing the bottom three strings of each chord. It helps to listen to the song and the bass line.

Standard Tuning

Intro plays a bass line in the blues key of C with a piano playing a C chord in the background.

Verse:

**C      Eb9          C          Eb9**  
Faith sealer, I don t feel you  
**C          Eb9                  C      Eb9**  
Don t hear you speak.  
**C      Eb9    C                  Eb9**  
Maybe          someone else will  
**C          Eb9          C      Eb9**  
Help you to see.

Chorus:

**Eb                  D7      Dbmaj7      C**  
Warm sound, falling slowly,  
**Eb                  D7      Dbmaj7      C**  
Takes the time away from me.  
**Eb                  D7    Dbmaj7          C**  
Warm sound, feeling no pain,  
**Eb                  D7                  Dbmaj7    C**  
Taking their time away from me.

**C-Eb9** transition

Verse:

**C          Eb9      C                  Eb9**  
Fake feeler, I see through you  
**C          Eb9                  C      Eb9**  
With my eyes closed.

[Chorus]

Bridge:

**Eb                  F**  
They can t tell me

**G**                    **Ab**  
what they can t see  
**Bb**                **F**            **C**        **Eb9**    **C**    **Eb9**  
How it feels here  
**C**                    **D**            **Eb**        **F**  
Just how it feels here (x8)

Outro fades with **C-D-Eb-F** progression.
