Ziggy Alberts

[Intro] G G/F# Em7 C
G G/F# Em7 C

G G/F# Em7
And i watch as the sun goes down, another day lost for now
C G
And i wonder where you woke up this morning
G/F#

Em7
Cause it was just last night but oh your kiss, it was just a touch but oh your
lips
C
She was beautiful

G G/F# Em7
We put our hands up to the sky, screamed the lyrics loud not shy
C
Then you put your hands in mine and
G G/F# Em7 C
They fit perfectly together

G G/F# Em7
She looks like pocahontas but she wears these high top sneakers
C G G/F# Em7 C
With a button up she?s so indie but she?s really beautiful
G G/F# Em7
She grabbed me closer so i said hypothetically theoretically
C
She said nothing and well she kissed me instead
G G/F# Em7
As the sun starts to rise and the twilight night is thin
C
She kissed me for the last time & she was

[refrão]

C G G/F# C
Gone, gone as the daylight comes & i?ll probably never see her again
C G G G/F# G
Gone, gone as the daylight comes & i?m falling in love & i won?t pretend

The second verse and chorus follow the exact same form and changes as the first
