

On Hold

Ziggy Alberts

[Verse]

**C** **C/G**  
I think we re at a crossroads, like my career is this a metaphor or something  
**Am** **F**  
Just how the river it flows if you re going to jump in be committed be trusting  
**C** **C/G**  
You care a lot about words, but say things you didn t mean and truthfully I don  
t dig that  
**Am** **F**  
I care a lot about words, but I sit here say nothing avert my eye contact

[Chorus]

**C** **C/G** **Am**  
Maybe, we both got things that we didn t ask for I m still glad that we gave it  
a go  
**F**  
I ~~Am~~ glad we didn t put it on hold  
**C** **C/G** **Am**  
And well did we, get into something that we didn t sign up for I m still glad  
that we gave it a go  
**F**  
I m glad we didn t put it on hold

[Verse]

**C** **C/G**  
Summer dresses amongst my clothes in my cupboard built up out of milk crates  
**Am** **F**  
Memories of wind-blown days, home-made sleeping on a bed without a bed frame  
**C** **C/G**  
I care a lot about words and I ve said a couple things that truthfully I want  
to take back  
**Am** **F**  
You care a lot about words so I close my eyes and kiss you to show you I didn t  
mean that

[Chorus]

**C** **C/G** **Am**  
Maybe, we both got things that we didn t ask for I m still glad that we gave it  
a go  
**F**  
I ~~Am~~ glad we didn t put it on hold

**C** **C/G** **Am**  
And well did we, get into something that we didn't sign up for I'm still glad  
that we gave it a go

**F**  
I'm glad we didn't put it on hold

**C** **C/G** **Am** **F**  
Hold, hold, hold

[Verse]

**C** **C/G**  
It didn't go as planned, doesn't mean that it ~~is~~ too good to be true

**Am** **F**  
And when things go left field doesn't mean that it ~~is~~ not right for me and you

**C** **C/G**  
It didn't go as planned, doesn't mean that it ~~is~~ too good to be true

**Am** **F**  
And when things go left field doesn't mean that it ~~is~~ not right for me and  
you

[Chorus]

**C** **C/G** **Am**  
Maybe, we both got things that we didn't ask for I'm still glad that we gave it  
a go

**F**  
I ~~is~~ glad we didn't put it on hold

**C** **C/G** **Am**  
And well did we, get into something that we didn't sign up for I'm still glad  
that we gave it a go

**F**  
I'm glad we didn't put it on hold

[Chorus]

**C** **C/G** **Am**  
Maybe, we both got things that we didn't ask for I'm still glad that we gave it  
a go

**F**  
I ~~is~~ glad we didn't put it on hold

**C** **C/G** **Am**  
And well did we, get into something that we didn't sign up for I'm still glad  
that we gave it a go

**F**  
I'm glad we didn't put it on hold

**C** **C/G** **Am** **F**  
Hold, hold, hold

**C** **C/G** **Am** **F** **C**  
Hold, hold, hold
