

All I Need Is You
Ziggy Marley

this is really simple
standard tuning (EADGBE)

for the verse, I like to play just the top 3 or 4 strings, to get that bass feeling.
listen to the song to figure out the strum pattern.

Intro & Verse: **A C B**

I don't need no body
To make me happy
All I need is you
All I need is you

I don't need no money
To live how I should
All I need is you
All I need is you

Sorrow sometimes teach a lesson well
And I know that good can come from bad
So let's look into that morning star
Cause we know just who we are
