Pretty simple but great tune. Here's how I play it:

[Verse]

B
Don't go away when you know that it feels good
E
Why don't you stay 'cause you know what we could do
B E B
Baby We could get hazy
B
Hand in hand we feel the vibe
E
We see true love in our eyes
B E B
Baby This ain't no maybe

[Chorus]

G/D A B
Forward to love
G/D A B
Forward to love

[Verse 2]

B
I know we got something, The feeling is true
E
But I don't want to wait another day to be with you
