

In The Name Of God
Ziggy Marley

Ziggy Marley - Dragonfly album
In the name of GOD

capo 1st fret
Chorus(same pattern throughout similar lyrics)

Em **Am** **Em** **Am** **Em**
In the name of God, you kill,,,In the name of your God
Em **Am** **Em** **Am**
In the name of God, you conquered,,,In the name of your God

G **F** **C**
All religion should be wiped out
G **F** **C**
So that people may just live
G **F** **C**
What divides us is an illusion
G **F** **C**
Made up by men in their confusion

back to Chorus

Em **Am** **Em** **Am** **Em**
And in the name of God, you hate,,,In the name of your God
Am **Em** **Am**
In the name of God, you boast,,,,,In the name of your God

G **F** **C**
Spoke of love, no one would listen
G **F** **C**
Seems everyone s trying to prove something
G **F** **C**
Starting over may be the best thing
G **F** **C**
So stop the bombs and let s begin

D **F** **C**
Cause this war no one can win
D **F** **C**
And it seems I ll never learn
D **F** **C**
Oh, this war no one can win
D **F** **C**
Well, it seems I ll never learn

In the name of God, you kill,,,,,In the name of your God
In the name of God, you conquered,,,,In the name of your God
In the name of God,,,In the name of your God

G F C
All religion should be wiped out

G F C
Save the people stand and live

G F C
What divides us is an illusion

G F C
Made up by men in their confusion

In the name of God, you kill
In the name of your God
In the name of God, you conquered
In the name of your God

In the name of God, you boast
In the name of your God
In the name of God, you hate
In the name of your God

In the name of your God
Why do you kill, why do you hate?
In the name of God
In the name of God
In the name of God
