

**Love Is My Religion**  
**Ziggy Marley**

[Verse]

**E D Dsus4 D A Asus A Asus A**

All my days, I've been searching  
To find out what this life is worth  
Through the books Iâ€™ve looked  
Through time Iâ€™ve searched lordâ€™

[Chorus]

**E D Dsus4 D A Asus A Asus A**

Love is my religion  
Love is my religion  
Love is my religion  
All we need is love

[Verse]

**E D Dsus4 D A Asus A Asus A**

I don't want to fight  
Hey, let's go fly a kite  
There's nothing that we can't cure  
And I'll keep you in my arms for sure

**E D Dsus4 D A Asus A Asus A**

So don't let nobody stop us  
Free spirits have to soar  
With you, I share the gift  
This gift that we now know lordâ€™

[Chorus]

**E D Dsus4 D A Asus A Asus A**

Love is my religion  
Love is my religion  
Love is my religion  
All we need is love

[Bridge]

Edm Adm  
Well, I'm done searching now  
I found out what this life is worth, yeah  
Not in the books did I find  
But by searching inside

**E D Dsus4 D A Asus A Asus A**

I don't condemn, I don't convert  
this is a calling, have you heard?  
Bring all the lovers to the fold  
no one is gonna lose their soul

[Chorus]

**E D Dsus4 D A Asus A Asus A**

Love is my religion  
Love is my religion  
Love is my religion  
All we need is loveâ€|
