

Never Deny You
Ziggy Marley

Am Em F Dm G
all the love that we share could never just disappear

Am Em F Dm G
and all that we ve been through I believe in you

Am F G
I will never deny you

Am Em F Dm G
friends said to me one day I should forget you

Am Em F Dm G
but my experience say what we have is true

Am F G
I will never deny you

Am F G
hey Judas they will betray you

Am F G
Thomases they will doubt you

Am F G
Peters they will deny you

Am F G
but I will never deny you

Am Em F Dm G
all the love that we share could never just disappear

Am Em F Dm G
and all that we ve been through I believe in you

Am F G
I will never deny you

Am F G
will never deny you will never deny you oh I
