**Zion I**

Played on piano

**Db**                      **Eb**

You can fight or run away

**Bbm**

I have no struggle

**Db**                      **Eb**

Relax watch me float away

**Bbm**

I m coastin

**Db**                      **Eb**

The timing is hit the Bbm 7 times, Db 5 times, and Eb 4.. Just repeat the whole song

This is a sick song to chill back and jam to... Still tryin to figure out the riff, so I will put it up once I do.
