O Glory To God He Lifted Me Up
Zion

```
D              G
O glory to God He lifted me up
D              A
He lifted me up I know.
D
He reached down His hand
G
And lifted me up
                A
And thatâ€™s why I love Him so.

D                 G
I love Him more and more,
A                 D
I love Him more and more,
G                  A
And when I stand upon the other shore,
D
Iâ€™ll praise Him oâ€™er and oâ€™er.

D                G  A        D
Hallelujah hallelujah hallelujah
```
