

**Argh Im A Pirate**  
**Zolof The Rock and Roll Destroyer**

capo 1

verse:

**A**                    **D**                    **E**            **A**  
give me back my brain, i said that before you  
                         **D**                    **E**  
you re so cute, and put out too  
**A**                    **D**                    **E**            **A**  
if we were in a zoo, then maybe i d streak too  
                         **D**                    **E**  
you beat me to the bedroom

chorus:

**F#m**    **D**            **A**            **E**            **A**  
you and me, we re like little machines  
                 **D**            **A**            **E**            **F#m**    **D**  
we run around the room and mess up sheets  
**A**                    **E**                    **F#m**    **D**  
no-one can put me to sleep  
                 **A**            **E**  
except you.

verse:

we re not all about it, but not above it, too  
it s just that it s that good  
so let s turn this room into a pirate ship  
and plunder each other

chorus:

you and me, we re like little machines  
we run around our room and hometown streets  
no-one can put me to sleep  
doot-doot

verse:

(give me back my brain)  
give me back my brain  
(give me back my brain)  
give me back my brain
