Verse 1:

C# **G#**
Don t go moping around.

What you need s a little bit of luck

F# **F#**
and a lot a bit of show
C#
from your friends.

G#
You know how that goes
C#
and before you know what s up

G#
We ll have found something way better to mope about.

Chorus:

F#
So how about
B
we hang out
F#
a little more
B
than we should?
F# **G#**
And I wouldn t worry much
C#
about much.

Verse 2:

When the drama goes down then just basics are ok.

I d rather see a smile on display. it s so great... it s so great... (so great)

Chorus:

So how about we hang out a little more than we should.

And i wouldn t worry much about much.

So how about we hang out a little more than we should.

(so how about we hang out a little more than we should)

And i wouldn t worry much about much. (and i wouldn t worry much about much) (so
how about)
