Em Am C Em

This is the place where dreams are unmade,

Em Am C Em

Cut into pieces and left in the rain.

Am C Em

They re left in the rain.

Em Am C Em

This is the place where hearts come undone,

Em Am C Em

Spill onto the sidewalk and crack in the sun.

Em Am

I m boarding up my windows

C Em

And locking all my doors,

Am

That s what they re for.

C Em

It s better if it s worse than before.

Same chords throughout:

This is the day when promises break,
curl up at the edges turn into mistakes.

So I am smashing up my suitcase
And sleeping on my floor,
I d rather be bored.
It s better if it s worse than before.

Go on, go on
Go on, go on
Without me

Go on, go on
Go on, go on
Without me

It s better if it s worse than before.
It s better if it s worse than before.
It s better if it s worse than before.
It s better if it s worse than before.
