Whe[F]re do I go, when part of me is dying?  
Some[Bb]where they re baking new bread  
There s peace in my [F]life. [Bb]

I ll [F]be the rain, and you ll be heaven crying  
And my [Bb]eyes will be filled with flowers  
Upon the snowfields of [F]white.

[C]And we will learn to walk to[Bb]geth[F]er  
[C]Oh hand in hand, we ll walk to[Bb]geth[F]er  
Do[Bb]menica. [C]

**Bb,F,Bb C,F,Bb**

Waiting for you, I ll drink a glass of wine  
My heart will explode again  
And we ll be larger than life

Time in the distance, will bring me to your side  
From high up in heaven, diamante  
We ll see peace with our eyes.

We ll see them walking, the brides and soldiers  
Dancing the dark, they melt together  
Against the twilight  
And all together we ll lift our voices  
Singing the time, to play at soldiers  
is gone forever  
Domenica.

Fai piano i bimbi grandi non piangono  
Fai piano i bimbi grandi non piangono  
Fai piano i bimbi grandi non piangono

We ll see them walking, the brides and soldiers  
Dancing the dark, they melt together
