 A/LA E/MI
Va pensiero sull'ali dorate
 A/LA E/MI
cross the mountains and fly over the oceans.
 A/LA
Reach the land find the place
 E/MI
Where all children go
 A/LA D/RE A/LA E/MI A/LA
Every night after listening to this lullaby.

 E/MI B/SI
There you'll find their heroes alive
 E/MI
Protecting their innocence
A/LA E/MI B/SI
Bless them all because their simple soul
 E/MI
is so pure and wonderful.

 A/LA E/MI
Va pensiero sull'ali dorate
 A/LA D/RE A/LA E/MI A/LA
Let this beautiful dream carry on for all night long.

 E/MI B/SI
Lend them your golden wings, every fear
 E/MI
will fly away
 B/SI
Take them by the hand
 E/MI
Help them find an easy way
 E/MI
Lead them back to the light, back to the light
 B/SI E/MI
Where they once used to belong
 B/SI E/MI
Where they can remain children as long as they want.
