[Verse]

G **Bm** **Em**
 Well I keep on knocking on your door without a response
Cm **G** **D**
 Donâ€™t even know why I should bother at all
G **Bm** **Em**
 My better judgement tells me not to get all wound up
Cm **D** **D#**
 But I donâ€™t care Iâ€™m well aware I might as well enjoy the fall

[Pre-Chorus]

Em **C**
 Something I just canâ€™t ignore I hate to be a bore
G **D** **D#**
 But Iâ€™ll keep spilling all these feelings in my mind
Em **C**
 Waiting for our day to come it hasnâ€™t been much fun
G **Am** **C** **D**
 Well darling I donâ€™t got a lot but what I got itâ€™s yours and mine

[Chorus]

Cm **G**
 Because Iâ€™ve got no where to go
Cm **G**
 So pull me in baby throw me rope
Cm **Em**
 I never thought weâ€™d make it but Iâ€™d like to try
Am **C** **G** **Em**
 Things are getting better all of the time
Am **C** **G** **Em**
 Things are getting better all of the time (ohh)
Am **C** **G**
 Things are getting better all of the time
