Intro/Verse:

(A9 D9 B D9)
Yeah, yeah, yeah..

I gave you everything, What d you give to me
A pocket full of empty rings, With diamonds that can sing
The most that I could ever hope, Is that you d start to feel so.. real

Yeah, yeah, yeah..

What I want is what you want, But what I want is more
I m tired of the questions, Am I left in scorn
The drugs are my addiction, She s laying on the tiles..of my.. floor

Yeah, yeah, yeah..

Chorus: D9 B
Cause you are... my faults..
G F#m
As you are... my own..
E B
And you built.. my will..
D
But what I want you can t fucking kill

Yeah, yeah, yeah..

Everyone is not as one, Everyone s the same
They re asking for a moment, They re looking out to blame

So am I independent, Or am I just playing my own.. games

Yeah, yeah, yeah..

Chorus:

Cause you are.. my faults..
As you are.. my own..
And you built.. my guilt..
But when I can you just never will

Yeah, yeah, yeah..
Yeah, yeah, yeah..

Cause you are.. my faults..
Well you are.. my own..
It s your will.. in my guilt.. Yeah, yeah, yeah..
