

Over You

ZZ Top

Intro: A C#m Bm E

A C#m F#m  
A chili wind is blowing

D  
And I?m all covered up

A C#m F#m  
With despair and desperation

D  
And it just won?t let me up

Bm E Bm  
It?s come in time to face the truth

E Bm  
And somehow I got to find the strength to move

E A E A  
I gotta get up and get over you

C#m  
Another dawn is breaking

F#m D  
And the people pass me by

A C#m  
And they don?t know how hard I?m making

F#m D Bm  
And there ain?t no place to hide

E Bm E Bm  
I?ve got to find some resistance, forgetting your existence

E A E D  
I?ve got to get up and get over you

C#m  
If I could have one more chance

Bm A D  
With you by my side

C#m  
You know I would take back that moment

Bm A E D A  
When we said goodbye oooo yeah

C#m F#m  
A chili wind is still blowing

D A  
And the sun is going down

C#m F#m  
And the streets are all in tears

D Bm  
And there?s not a soul around

E Bm  
Its coming time to face the truth

E Bm

And it's the hardest thing I gotta to do

**E**

**A**

**D**

Somehow I got to get up and get over you

Ooh Man ooo

Hey get over you

Hey get over you

I gotta get over you

I gotta get over you ohhh...
